Protecting *your gadget(s)*

Here are some measures *you* can take to help protect or track *your gadget(s)* whether or not they are covered by an insurance policy:

We've all been there, dropping *your* device is a sure-fire way to damage *your* device. However, *you* can protect against this by simply buying a case, which will go some way to keeping *your* device safe.

Don't forget to also keep a record of *your* mobile phone's IMEI number, this is unique to *your* handset, and should the worst happen, it will allow *you* to be reunited with *your* device. *You* can find this by typing **#06#* into your handset's keypad.

You can also register *your* device for FREE on <https://www.immobilise.com/index.php>

For added security *we* recommend adding a pin code or password to all *your* devices. This will ensure that *your* personal information remains private should it fall into the wrong hands.

There are also a variety of tracker applications which could enable *your* device to be found. Please always contact the police and let them retrieve the device, never take the law in to *your* own hands!

Always avoid using *your* device in public places in situations where *you* might be distracted, such as exiting public transport. These situations make easy targets for thieves.

Please call the **Claims Administrator** 0330 880 1741 (local call rate) and they will provide details for its return.
- ✍ All replacement items are issued with a 12-month warranty (the item must be returned to the **Claims Administrator** in the event of a claim under the warranty)
- ✍ If **your** existing **accessories** are not compatible with the replacement item that **we** have provided, **we** will cover the cost of replacing the **accessories**, on production of **your proof of purchase** for these.

Limit of Liability

Our liability, in respect of any one claim, will be limited to:

- ✍ The replacement cost of each **gadget** being claimed for and, in any event, shall not exceed the maximum single gadget claim limit or the 12-month maximum aggregate claim limit as defined by your chosen policy option as shown on your Schedule of Insurance.
- ✍ **Our** liability, in respect of **accessories** will be limited to the replacement cost of the **accessories**, subject to a maximum of, either the **purchase price** or £150 including VAT, whatever the lesser. This is subject to a valid claim for **theft, loss** or damage of **your gadget** where the **accessories** are stolen, lost or damaged at the same time as **your gadget**.

Please note: **We** may apply a proportionate approach to your claim in circumstances where the sum insured by **you**, as detailed in your Schedule of Insurance, is inadequate to cover the replacement cost of the **gadget(s)** on cover. The amount claimable would be calculated as follows: *sum insured / cost of replacement) x loss = average claim amount.*

Fraud

We employ a dedicated team of fraud specialists. If any fraudulent or misleading claim is made or if any fraudulent or misleading means are used under this insurance, **you** will not be allowed to continue with **your** claim and **your** policy will be cancelled with immediate effect and no refund will be returned.

We and/or the **Claims Administrator** will be entitled to instruct an investigation into **your** claim and recover any benefit paid and costs incurred as a result of any such fraudulent or misleading claim. **We** and/or the **Claims Administrator** may also inform the Police and/or any law enforcement agency about the circumstances of any fraudulent claims. **We** may also prosecute those who make fraudulent or misleading claims.

POLICY CANCELLATION

Cooling off Period

You may cancel the insurance within 14 days of receiving the insurance documents, should **you** decide the insurance is no longer appropriate or required, please contact Trusted Gadget Insurance via email at gadget.sales@trustedinsurances.com or by calling 0207 183 6082. **You** will receive a full refund of any premium already paid provided that no claim has been made and **you** do not intend to make a claim.

After the Cooling off Period

You can cancel cover at any time by contacting Trusted Gadget Insurance.

If **you** pay **your** premium by monthly instalments, **your** policy will be cancelled at the next monthly anniversary of the date **your** policy commenced. There will be no refund of premium due as the premium paid will have only been in respect of the cover already received. If a claim has been made by **you**, **we** will not refund any premium and **you** must still continue to pay **us** any remaining premium due within **your** minimum policy term.

If **you** paid **your** insurance premium as a single upfront payment and providing no claim has been made under the policy, **you** will receive a proportionate refund of premium based on the unused period of cover under the policy. Policy cover will cease from the date **we** receive **your** cancellation instructions or from a later date at **your** request. If a claim has been made by **you**, **we** will cancel **your** cover but not refund any premium.

Cancellation by **us**

We may cancel this insurance by giving **you** at least 30 days written notice at **your** last known address. Reasons **we** may cancel the policy are, but not limited to:

- ✍ If **we** have reason to suspect **you** of fraud;
- ✍ Where **we** have been unable to collect a premium payment from **you**. In this case, **we** will contact **you** by email after the first missed collection requesting payment of the premium. If **we** do not receive payment by the next collection date and the next premium payment is also missed, **we** will cancel **your** policy with immediate effect and send **you** an email confirmation of the cancellation.

If any of the above reasons should occur, **we** and/or the **Claims Administrator** will write to **you** with our concerns and ask **you** to redress them. Where this redress does not happen, **we** will then issue cancellation. If **we** cancel cover under **your** policy, then no further premium will be payable by **you**. **You** will continue to receive any benefits for a valid claim if **your** claim incident date was prior to the date **your** policy expired.

Mid-Term Adjustments

Should **you** decide to replace **your gadget** with a new **gadget** whilst **your** insurance is in force, **we** will consider transferring the benefit of the insurance subject to the item remaining within the same policy options as **your** original **gadget**. Please see page 7 for more details. There is no administration fee applicable for replacing a **gadget** within the same policy option. **You** must advise the **Claims Administrator** of the make and model before **you** make any subsequent claim and in the event of such a claim **you** will need a **proof of purchase** showing details of the new **gadget**. The **gadget** must be in good condition and full working order at the time of adding the new **gadget** to the policy.

Please note: When replacing an existing insured **gadget** with a new **gadget** the terms and conditions of the insurance policy for the new **gadget** will apply exactly the same as if **you** were purchasing a brand-new policy.

Where **you** have multiple items **registered** on **your** policy and **you** wish to remove one of **your gadgets** from cover, **we** will calculate the revised premium. If **you** paid **your** insurance premium as a single upfront payment and providing no claim has been made under the policy for the **gadget you** wish to remove, where there is a reduction in **your** premium, **we** will provide **you** with a pro-rata refund. If **you** pay **your** premium by monthly instalments, **your** policy will be amended at the next monthly anniversary of the date **your** policy commenced. There will be no refund of premium due as the premium paid will have only been in respect of the cover already received. **We** will recalculate the premium and confirm the revised premium in writing to **you** in good time before **your** next premium collection date.

Should **you** wish to consider covering additional **gadget(s)**, please contact Trusted Gadget Insurance at gadget.sales@trustedinsurances.com or by calling 0207 183 6082 quoting **your** existing policy number.

In the event that any of **your** personal details change, such as address, email or contact numbers, please ensure **you** contact Trusted Gadget Insurance as soon as possible in order for **your** details to be updated and to prevent any delays when making a claim.

Automatic Renewal of **your** Policy

To make sure **you** have continuous cover under **your** policy **we** will automatically renew **your** policy at the end of the minimum policy term and annually thereafter unless **you** advise **us** otherwise.

You will be contacted at least 21 days before the annual renewal date of **your** policy, and **we** will tell **you** then if there are any changes to **your** premium or the policy terms and conditions (which will only ever apply at **your** next renewal date). **We** will then renew **your** insurance unless **you** advise **us** otherwise.

Unless **you** advise **us** otherwise, **your** renewal premium will be taken by the same method used during **your** initial purchase. If **your** payment details have changed, **you** can contact Trusted Gadget Insurance at

gadget.sales@trustedinsurances.com

or visit

and log into "My Account" to amend **your** details. **You** can advise Trusted Gadget Insurance about any changes to **your** policy details at any time by calling 0207 183 6082 (local rate call).
